

BASIC FEATURES OF A DASHBOARD

1000 Broadway
Suite 600
Oakland CA 94607

data@ousd.org

TABS

Click on tabs to navigate through each dashboard.

INTRO

Click to return to the introduction tab.

HOMEPAGE

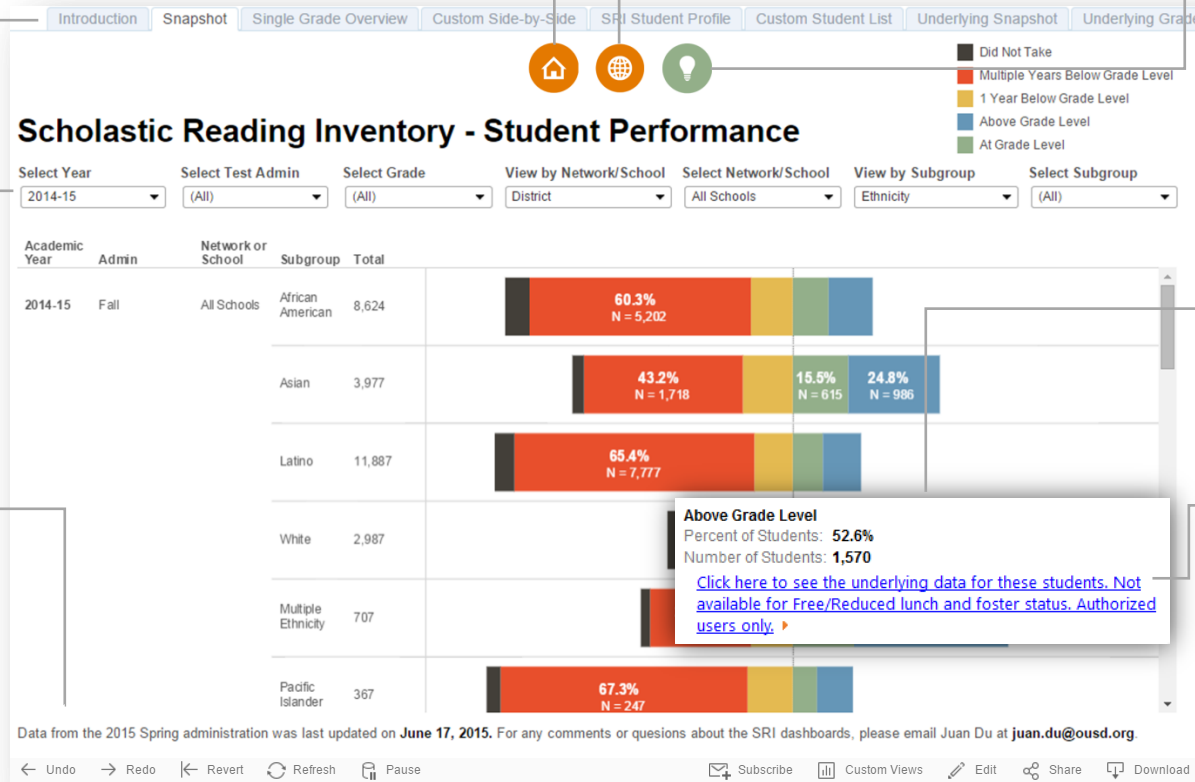

Click to return to internal dashboards homepage.

DASHBOARD INFO

Hover for additional information on the dashboard.

FILTERS

Select academic years, view data by district, network, or school level, and disaggregate by any subgroup of your choice.

TOOL TIPS

Hover over a data visual to reveal tool tips with more detailed data points.

FOOTERS

Contact information of each dashboard author is located at the bottom.

STUDENT LIST

Use Tool Tips to drilldown into underlying student level data. User permissions are in place to protect student confidentiality.

REVERT

Reset the filters on your dashboard to start over.

REFRESH

Refresh the data in this view.

PAUSE

Put automatic updates in the dashboard on hold.

SUBSCRIBE

Sign up for email updates for this dashboard.

CUSTOM VIEWS

Save how you view your dashboard.

SHARE & DOWNLOAD

Share dashboard links or export as an image or pdf file.
